**Derrylatinee OUTDOOR TEACHING AND LEARNING FACILITIES PROJECT**

Thank you to everyone that has contacted me willing to help in this project. It is great to have such support and practical help.

If you want to be involved but haven't yet called me, please do today so that we can organise materials, tasks etc. 02887 724403 or 028 87 447 607

Being involved here and sharing your expertise is a wonderful way to help your child's learning and support your school in the community.
