19th November 2020

Dear Parents

E.A. (Education Authority)
Music Tuition Service

E.A. tuition of violin is continuing in school! We have positions for 4 more pupils - beginners in violin. This is a great opportunity that we are lucky to have.

Tuition will take place weekly -20 minute lessons during school time. The children can hire a violin for the year (and take it home) –cost £35 or £17.50 if the child is in receipt of free school meals.

The cost works out at £44 (approximately £2.00 per lesson).

If you wish your child to avail of this tuition, please fill in the slip below and return to school immediately.

COVID 19 restrictions mean

- Children will not be allowed to share a violin. They must remember to bring their instrument to school every Thursday.
- Music notation pages are not allowed to be shared.

If there are more applications than places the music tutor will test the children.

Yours faithfully

Mrs McNeice
