## **Return to School P1 – P3 children**

We ask that parents follow the same guidelines as before this most recent lock down.

**Please do not send your child to school if they have a temperature or are unwell in any way.**

Children in P2 and P3 should be dropped off and picked up at the gate nearest the road.

Children in P1 should be dropped off and picked up at the second gate entering the school playground.

### **Please follow the times below-**

Children should not be left at School before 8.45am

P1 and P2 children should be collected at 2pm

P3 children and key workers/ vulnerable children should be collected at 2.50pm or use school transport.

Department guidance advises that breakfast clubs and after school clubs should not operate yet.

At arrival and collection times it is vitally important that parents follow up to date guidance regarding social distancing and the wearing of face coverings.

Children should wear their school uniform, they should not bring a school bag to school – just their lunchbox.

**Children and staff will follow our strict hygiene regulations in school. We will continue our efforts to stop the spread of the virus.**

If you have any questions please do not hesitate to telephone me in School. I hope that everyone stays safe, thank you for your continued support.
