March 18th 2021

Dear Parent / Guardian,

The Department of Education has confirmed that all children in Primary Schools will return to face to face teaching and learning in school from **March 22nd**.

As a staff, we are delighted and look forward to seeing and working with all of the children again.

Return to School

We ask that parents follow the same guidelines as before this most recent lock down.

Please do not send your child to school if they have a temperature or are unwell in any way.

Children in P3-P7 should be dropped off and picked up at the gate nearest the road.

Children in P1-P2 should be dropped off and picked up at the second gate entering the school playground.

Please follow the times below

Children should not be left at School before 8.45am

Children should be collected promptly at these times

P1 / P2 2.00 pm

P3 2.50 pm

P4 / P5 3.00 pm

P6 -/P7 3.05 pm

Department guidance advises that breakfast clubs and after school clubs should not operate yet.

At arrival and collection times it is vitally important that parents follow up to date guidance regarding social distancing and the wearing of face coverings.

Children should wear their school uniform and they should not bring a school bag to school – just their lunchbox. School transport and school meals will operate as normal.

Children and staff will follow our strict hygiene regulations in school. We will continue our efforts to stop the spread of the virus.
