Exam Time! May 10th – May 14th

Dear Parents P1 - P7

During this time all children will sit end of year exams.

Some of these will be **Standardised** (set tests that are administered to children across Northern Ireland, results of these allow us to compare individual and class results with like schools)

and some will be

Non-standardised (tests set by class teacher to evaluate progress in all curricular areas- results of which will be analysed within the class).

The children have worked hard and I want the results of their exams to reflect this!

All classes will be working during this week in class to revise and reinforce so that everyone will achieve their best in the exams in May.

It is very important that

- During exam week homework time each evening is used to revise – please ensure that this happens and help your child with their exam preparation.

It is vitally important that your child/children are in school every day!!!

As always your cooperation and support is appreciated.

Yours faithfully

Mrs McNeice
